

An Architectural Design Workshop

February Vacation Program

Who: Students grade 5-8

What: Do you like to draw and build things? Do you enjoy designing interesting places. Archi-campers will design and build all sorts of spaces; scale model dream homes, bridges, tree houses, even cities, parks and zoos. Utilizing real world math, manipulatives and tools, you will make these projects. We provide the drafting tools and model-making supplies, you supply imagination and the willingness to make your Archi-camp experience memorable and fun.

When: February 21-24, 2012, (Tuesday-Friday) 9-2 PM

Where: Coelho Middle School, Attleboro, MA

Cost: \$130 members*, \$140 non-members

* Members: Attleboro, Dighton, Easton, Mansfield and Rehoboth

Instructor: Susan Casey, an architectural design specialist, she teaches visual arts at Coelho Middle School in Attleboro. Some of Sue's previous design projects with students have been the creation of a 12' x 9' replica of a gothic cathedral with flying buttress and 3' steeple; and the design and creation of a 3-D model of historical structures along a three-mile span.

FY12
